Experience and Licenses

Louie was born and raised in San Diego where he started his career in business administration and finance. He has experience building and developing small businesses and working on a national level with individual clients. He spent four years as an Analyst at another financial services company, working directly with Financial Advisors. Louie's time with CALPRO has allowed him to work closely with educators and to develop an acute understanding of the CalSTRS/CalPERS pension systems. Louie enjoys developing long term plans for clients and focusing on a purpose driven approach to investing and spending.

Education

Louie holds a bachelor's degree in business administration from California State University Monterey Bay. He also holds FINRA Series 7, Series 66 and Life and Health .Insurance licenses

Accolades and Personal Interests

Louie and his wife Leann love spending time with their two daughters Lyla and Lana. They look forward to their annual camping trip, playing softball year-round and spending time with their extended family around San Diego and in Mexico. Louie also enjoys fishing, golf, over-the-line, going to the movies and watching the Padres.
